Finishes

Many finishes are available with this design, we've list below the three most popular. However, there are other specialist finishes available, for more information on these please contact the Logic technical team.

Powder Coated

Steel Type:	Galvanised Mild Steel / Stainless Steel / Mild Steel, polyester powder coat finish.
Durability:	High /Medium.
Surface Finish:	Flat with semi-gloss finish.
Aesthetics:	Complete range of RAL colours, specialist finishes available.
Country of Origin:	Steel - United Kingdom , with some world wide content. PPC content - United Kingdom.

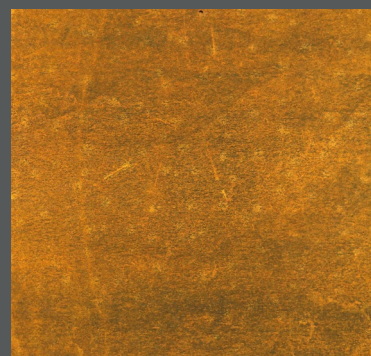

Stainless Steel

Steel Type:	Stainless Steel, various grades.
Durability:	High.
Surface Finish:	Polished, bead blast or brushed.
Aesthetics:	Polished very flat surface with almost mirror finish Brushed flat surface with lightly engrained straight lines and a semi matt finish.
Country of Origin:	United Kingdom, with some world. wide content.

Weathering Steel

Steel Type:	Weathering Steel, grade A.
Durability:	High.
Surface Finish:	Flat with slight texture.
Aesthetics:	Weathering Steel begins its life looking like ordinary Mild Steel. Over a period of time, due to the moisture levels in the atmosphere, the surface will oxidise turning an orangey brown colour, and eventually self seals. There is no defined period to this process as the moisture levels in the atmosphere fluctuate. Often there are colour variations between sections and also within each section.
Country of Origin:	United Kingdom, with some world wide content.

Finishes

Many finishes are available with this design, we've list below the three most popular. However, there are other specialist finishes available, for more information on these please contact the Logic technical team.

Timber Species

Iroko

Material:	Iroko - Genus Milicia
Finish:	Natural
Durability:	Class 2
Country of Origin:	Africa
Forest Type:	Virgin Rain Forest

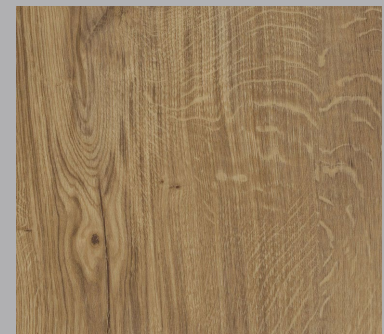

Douglas-Fir

Material:	Douglas-Fir - Pseudotsuga Menziesii
Finish:	Natural
Durability:	Class 3
Country of Origin:	United Kingdom
Forest Type:	Plantation

Oak

Material:	Oak - Quercus Robur
Finish:	Natural
Durability:	Class 2
Country of Origin:	United Kingdom
Forest Type:	Plantation / Secondary Growth

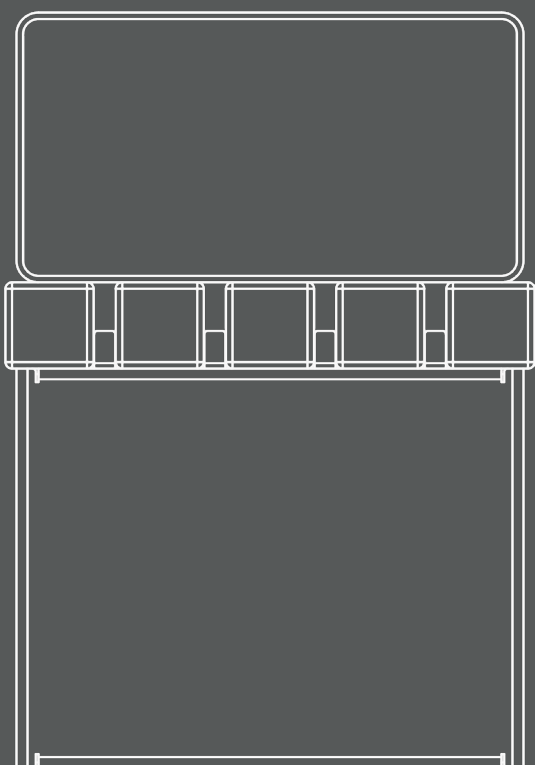

As wood is a natural grown material, there will be variations in colour, grain structure, knots and moisture content. This all creates the beauty of this versatile material. Some timbers have a greater or lesser concentration of naturally occuring Quertannic acids, please refer to the O&M manual for handling of such.
